

Oakfield Elementary School

MAY/JUNE 2018 IMPORTANT DATES AND INFORMATION

<u>DATES</u>	<u>EVENTS</u>
<p>5th Grade Promotion Ceremony Our elementary students are growing up! The class of 2025, our current 5th grade class, will celebrate their 5th Grade Promotion on May 31st.</p> <p>The ceremony will take place in the OES Gym at 2:00 PM, followed by cake in the cafeteria. Families, relatives, and friends of the 5th grade students are invited to attend this special ceremony.</p>  <p>Then at 3:05 PM, the 5th graders will walk through the hallways of OES as students and staff clap for them for a “send off” to their middle school adventure. This is a memorable day for the students. I hope you can join us for the event.</p> <p>Summer School Carmen Klassy, our Summer School Coordinator, is working feverishly to complete the summer school class rosters. Your child will receive their schedules by the end of May. - If you haven’t done so already, it is not too late to register for summer school. Please call Linda Garriety at 583-3146, to assist you with registering your children.</p>  <p>The sessions and times are: Session One: ● Mon., June 11 – Fri., June 29 Session Two: ● Mon., July 2 – Fri., July 20 No School July 4 Times: 8:00 AM – 12:30 PM</p>	<p>Screen-Free Week: April 30th - May 6th A note was sent home with students earlier this week inviting them to participate in a Screen-Free Week. Students and their families can take a pledge to spend seven days screen-free. I hope you say - Challenge Accepted!</p>

End of the Year Assessments

Staff and students are working hard to complete end of the year benchmark assessments including PALS for grades 4K - 2, and iReady, Fountas and Pinnell, and AIMSweb for grades K - 5. All of these literacy and math assessments demonstrate your child's growth for this school year. They also provide great information for next year's staff to support the academic strengths and target areas for your child. You will learn more about the results of these assessments in your child's report card.

Wrapping Up the Year

As I write this final monthly memo, I am reflecting on all of the wonderful opportunities and experiences that have occurred this school year. Then, I look ahead at all of the exciting events that are still to come... spring concerts, field trips, field day... the list goes on and on. We could not have done it without you. **THANK YOU** for being active participants in your child's education. Being a parent is extremely hard work. It is the hardest job there is. Being a partner with your child's teachers only makes the school experience more positive, meaningful, and effective. I am sure you have heard the saying, "It takes a village to raise a child". That statement speaks volumes when we all work together to model and support a **growth mindset** with our children. Thank you for all you do to make this happen at home because we are working just as hard at school!
