## SCHOOL DISTRICT OF OAKFIELD SUMMER SCHOOL 2024

PLEASE RETURN REGISTRATIONS BY Tuesday, April 30, 2024

### GENERAL INFORMATION

**Start Date:** Monday, June 17, 2024

**End Date:** Thursday, July 18, 2024

No Summer School on Fridays, except Friday, June 21 (due to the No School on Tuesday, July 4)

**Times:** 8:00 AM - 12:00 PM

#### **Breakdown of Classes:**

- **Arrival:** 7:45 - 8:00
- **Period 1:** 8:00 – 8:55
- **Period 2:** 9:00 – 9:55
- **Period 3:** 10:00 – 10:55
- **Period 4:** 11:00 – 11:55
- **Dismissal:** 12:00

### ATTENDANCE

Attendance is expected by all students who sign up for summer school. Vacations, illnesses, or other absences where a note is sent are considered excused. Parents can also email attendance notices to Linda Garriety at [lgarriety@oakfield.k12.wi.us](mailto:lgarriety@oakfield.k12.wi.us).

### SNACK TIME

There will be no breakfast served at summer school this year. Students should bring a snack for their 3rd period class.

### CLASS FEES

As you read through the class descriptions, you will notice that some classes have a class fee. This fee is to help cover the cost of supplies for the class. **Please pay class fees by the first week of classes.** Fees can be paid to the teacher or the school office. Please make checks payable to the School District of Oakfield. If there is a financial hardship and a class fee cannot be paid, please contact Becky Doyle at the Oakfield Elementary School at 583-3146 or [bdoyle@oakfield.k12.wi.us](mailto:bdoyle@oakfield.k12.wi.us). **No child will be turned away due to the inability to pay a class fee.**

### REGISTRATION

A registration form and class description listings are contained in this booklet. Each class has a limited amount of spots, so classes are filled on a first come, first serve basis. **Please return completed forms no later than Tuesday, April 30. They can be dropped off at the Oakfield Elementary or Middle/High School.** It can also be emailed to Linda Garriety at [lgarriety@oakfield.k12.wi.us](mailto:lgarriety@oakfield.k12.wi.us). Please indicate Summer School Registration in the subject line.

### RESIDENT/NON-RESIDENT STATUS

Children living in the School District of Oakfield for all or part of the summer, whether with grandparents, family members, or friends, are considered residents of the District. Students who are open enrolled in our district during the school year are also eligible for summer school classes at no additional cost.

**Children who live in other school districts and DO NOT attend Oakfield School District during the school year may join the School District of Oakfield Summer School program for a fee of \$250 per student.** This fee can be paid when the registration form is sent in or on the first day of classes. Please make checks payable to the School District of Oakfield.

### HIGH SCHOOL CLASSES

All classes needed for credit recovery should be discussed with Mr. Brown at the Middle/High School. The Middle/High School phone number is 583-3141.

## TRANSPORTATION

**Bus transportation for the start of the day, 8:00 AM and at the end of the day 12:00 PM.** Bus transportation is only provided at designated times. In some instances it will then be necessary for students to arrange for their own transportation. Students wishing to take only one class are not allowed to be in the building for the remainder of the day. **If students are at the school, they need to be taking a class.**

## VOLUNTEERS

All students in grades K - 8 are encouraged to participate in Summer School. We will not be using student volunteers to support classes.

## SUMMER SCHOOL 2024 COURSE OFFERINGS

### **Grade Entering 2024 - 2025**

<b>ACADEMIC FUSION</b>	<b>6 - 8</b>
Academic Fusion offers an immersive summer school experience for middle school students, seamlessly integrating the worlds of reading and math into an engaging and enriching curriculum. Led by experienced educators, this innovative program fosters critical thinking and analytical skills while igniting a passion for learning. From decoding complex texts to mastering mathematical concepts, Academic Fusion provides a holistic approach to academic growth, empowering students to excel in both literacy and numeracy. Join us for a summer of exploration, collaboration, and academic achievement in Academic Fusion!"	
<b>ARTS AND CRAFTS</b>	<b>3 - 4</b>
Come and explore the world of art through various mediums. Students will have the chance to create works of art using crayons, paints, clay, and more. The only requirement for this class is creativity! <b>Class Fee: \$10.00</b>	
<b>BASKETBALL</b>	<b>4 - 8</b>
Players will receive instruction on the proper form when shooting a basketball. Players will get to work on their form by doing various shooting drills. Players will shoot, and then do some more shooting, and then do even more shooting. There will be some game like settings where players can work on their shooting in live game situations.	
<b>BEGINNING SEWING</b>	<b>5 - 8</b>
Join our Beginning Sewing Summer Program, tailored for students in 5th - 8th grade. This introductory class covers the essentials of sewing, starting with basic hand embroidery techniques and leading to the construction of a zipper pouch using a sewing machine. Along the way, you'll learn key quilting and sewing terms, setting a solid foundation for future textile projects. It's a practical, hands-on experience designed to equip the student with the basic skills of sewing. <b>Class Fee: \$10.00</b>	
<b>BEGINNING SPANISH</b>	<b>2 - 8</b>
¡Hola Amigos! is an exciting and interactive course designed specifically for students to embark on their journey into the Spanish language and culture. Through a blend of fun activities, games, songs, and storytelling, young learners will be introduced to the basics of Spanish in a dynamic and engaging environment.	
<b>BOARD GAMES GALORE</b>	<b>2 - 3</b>
Hey kids!!! Don't be BORED this summer! Come and join us in Board Games Galore!!! Learn to play MANY fun and challenging board games that will help you learn strategy, critical thinking, following directions and encourage a healthy competitive spirit!!! Through playing board games you will also have fun watching, learning and cheering on your fellow classmates! Not everyone wins all the time, but it is still fun to play the game!!! In this class, you will also have an opportunity to create your very own board game to take home and play with your family!!!	

<b>BRAIN TEASERS, PUZZLES, AND MORE</b>	<b>2- 5</b>
Welcome to the intriguing world of "Brain Teasers, Puzzles, and More"! This class is designed to stimulate your mind, challenge your intellect, and foster your problem-solving skills through a diverse array of engaging activities. Whether you're a seasoned puzzle enthusiast or a curious novice, there's something here for everyone to enjoy and learn from. Prepare to stretch your mind, unlock your creativity, and uncover the joy of unraveling mysteries one puzzle at a time.	
<b>BUSINESS BASICS 101: YOUR GATEWAY TO SUCCESS</b>	<b>6 - 8</b>
"Business Basics 101: Your Gateway to Success" is an introductory class designed to equip individuals with foundational knowledge and skills essential for navigating the world of business effectively. This class will prepare students for future high school business classes as it is being taught by a High School Business Teacher. Get ready to learn about the fundamentals of business, financial literacy, and marketing essentials, and more.	
<b>BUSINESS, MONEY, &amp; MARKETING MADE FUN</b>	<b>4 - 5</b>
Calling all future entrepreneurs...This dynamic summer school class is tailored for bright minds in grades 4 and 5 who are eager to embark on an exciting journey into the world of entrepreneurship. Throughout this engaging program, students will explore the fundamental concepts of business, money management, and marketing, igniting their entrepreneurial spirit and nurturing their innovative thinking. Students will come away with life skills in managing money and other business skills.	
<b>CSI</b>	<b>5 - 8</b>
Turn the classroom into a CSI laboratory. Can you solve the mystery? Enter the crime scene, create a list of suspects, check alibis and background stories. Analyze the skin, hair, fingerprints and blood left at the scene. Find the criminal before it is too late. Uses reading through creating crime scene, writing the story line, backgrounds and alibis of the suspects. Students will also learn aspects of mystery writing to create mystery stories. Uses math in data collection and analysis.	
<b>DYNAMIC DRAWING &amp; CRAFTING CREATIONS</b>	<b>4 - 5</b>
Throughout this course, students will delve into the exciting realms of drawing and crafting, discovering the endless possibilities that lie within their imaginations. From sketching simple shapes to creating intricate designs, they will learn the fundamentals of drawing, including line, shape, form, and perspective. They will experiment with different mediums such as pencils, markers, crayons, and pastels, discovering the unique effects each has on their creations. <b>Class Fee: \$10.00</b>	
<b>FANTASTIC FIRST GRADE PREP</b>	<b>1</b>
Let's gear up for first grade, and let's get ready for some fun! This summer program will include enjoying authors such as Mo Willems, expanding marvelous math skills, and building on individual reading and writing foundations. Morning meetings will include fun activities, songs, and valuable time with friends. Sign up and stay engaged in fantastic first-grade learning this summer!	
<b>FISHING ADVENTURE (2 HR. CLASS)</b>	<b>5- 8</b>
Students will review knot tying and casting skills. They will learn fishing rules and ethics. They will find out how to identify native fish. It is possible they will visit with a game warden and learn about fly-fishing. Several trips to local fishing locations will be planned. It will be helpful, but not necessary, for students to have their own equipment. <b>Students who have taken this class twice will not be eligible to take it again. Class Fee: \$10.00</b>	
<b>FLAG FOOTBALL &amp; FUNDAMENTALS</b>	<b>4 - 6</b>
Students will learn the fundamentals of football. They will learn to throw, catch, and block as well as learning basic strategies of football. Teamwork and playing as one team will be stressed and enforced. Games will be played on most days of the session. Both males and females are encouraged to attend.	
<b>GENIUS HOUR</b>	<b>4 - 5</b>
Have you ever wondered why something is the way it is? Or wanted to learn something new and become an expert on it? In this class, you will become an expert on something you're interested in. We will be working on how to research something using reliable sources, making presentations, and sharing all that we became an expert on.	

<b>GETTING READY FOR KINDERGARTEN</b>	<b>K</b>
Students will get a feel for what a typical day in Kindergarten will look and feel like. There will be time for math and literacy along with fun activities and projects that will have the students being active and working together. All Kindergarten students will be in one section the entire morning of summer school.	
<b>INTRODUCTION TO BAND</b>	<b>6</b>
This course will introduce students to band. Students will learn basic techniques specific to his/her instrument choice. Special attention will be put on correct body & hand position, quality tone production, and first notes. Students will be placed in homogeneous instrument classes.	
<b>KIDS IN THE KITCHEN</b>	<b>2 - 4</b>
Learn the basics when cooking in the kitchen! Enjoy creating kid-friendly recipes that range from meals, snacks, or desserts! Best part is that we get to taste the food we make too!	
<b>MATH MANIA</b>	<b>2 - 5</b>
Prevent the Summer Slide as students continue to work on grade-level standards in fun, hands-on, engaging ways. Math games, manipulatives, and online resources will be used to provide differentiated instruction to all students. Students will review what they learned this past year and build on new skills to prepare for the next grade level. Are you ready to think like a mathematician?	
<b>MYTHBUSTERS</b>	<b>3 - 8</b>
Like the show? You will love the class. Test some common myths and bust or confirm them. Will putting a stamp on helicopter blades make it crash? Can ninjas walk on water? Can train cars crush like aluminum cans if they get too hot? Let's find out. Help choose what myths we test. Uses math calculations and measurements, scientific method, engineering and statistical analysis.	
<b>NEW WEEK, NEW THEME</b>	<b>2 - 3</b>
If you love variety, this is the class for you. Each week students will explore a new theme. Dinosaurs, solar system, pets, rainforests, sea creatures, and more. Your brain will be filled with new knowledge on a variety of topics by the end of summer school.	
<b>REVVED UP FOR LITERACY</b>	<b>2 - 5</b>
Getting your reading minutes in each day at Summer School, so you can enjoy your afternoon. This class will keep students reading, writing, and working with words to prevent the Summer Slide. Students will have access to their iReady Reading lessons, Raz-Kids, Accelerated Reader, and other literacy programs that our school provides during the school year. Students will be provided with fun ways to enhance their grade level literacy skills. Small group reading or Book Clubs will be used on a daily basis to keep kids engaged and finishing lots of books.	
<b>SOLVE THE MYSTERY</b>	<b>5 - 8</b>
Part MythBusters, Part Unsolved Mysteries. Our world is full of things we haven't found answers to. Let's explore these and see if we can solve the puzzle. Use your imagination and create a mystery story of your own. Part of the class is to create our own escape room. Let's see if we can solve the riddle and escape from the room. Another part of the class will be to develop a Rube Goldberg invention. Can you build a better mousetrap? Can you design a chain reaction machine? Let's see. Students will use math calculations and measurements, scientific method, engineering, and statistical analysis. In addition, we will use reading by researching aspects of these unexplained phenomena. Students will also learn aspects of mystery writing to create mystery stories.	

<b>SOMETHING SOCIAL</b>	<b>2 - 6</b>
The Social Skills Building course for elementary students is designed to foster the development of essential interpersonal abilities necessary for successful interactions both in and out of the classroom. Through engaging activities, discussions, and role-playing exercises, students will explore various aspects of social interaction, including communication, empathy, cooperation, and conflict resolution.	
<b>SONDAY</b>	<b>2 - 5</b>
Students will continue their reading intervention program during summer school using the same materials and strategies. Only students who attend the Reading Intervention Program during the school year will be accepted into this class. <b>TEACHER RECOMMENDATION REQUIRED</b>	
<b>SPORTS GALORE</b>	<b>2 - 4</b>
Time to get your bodies moving while participating in various sports. Each week will have a new sports focus. This class will cover basketball, volleyball, soccer, wiffle/tennisball, gaga ball, and more. Be prepared to sweat!	
<b>STRENGTH &amp; CONDITIONING</b>	<b>9 - 12</b>
Want to be in shape for the fall and ready to rock in your fall sport... or just be in good shape for the start of the year? Students will be provided with training programs that will focus on building strength, speed, and agility in addition to fitness and conditioning training. Each day the workout will be a total body workout. The focus will be on enhancing ability in sports and activities. Speed development, flexibility, agility drills, weight training, and conditioning will be emphasized.	
<b>TENNIBALL</b>	<b>5 - 8</b>
This is a combination of baseball and softball in the tennis court. Players will get a chance to work on various fundamentals while playing the game. Players will work on proper techniques for throwing, fielding, and hitting with a tennis ball.	
<b>VOLLEYBALL</b>	<b>4 - 6</b>
This course will consist of demonstrations, individual drills, and team drills. It is designed to teach fundamentals and provide an opportunity for individual skill development. These skills include serving, passing, defense, attacking, blocking, and setting. In addition, students will learn more about the rules of the game, how to be a valuable team member, and sportsmanship.	

### STUDENT INFORMATION FORM FOR SUMMER SCHOOL 2024

\*\*This MUST be completed in full to register for summer school classes. **PLEASE PRINT** when completing this form.

Student Name:	Grade (2024 - 2025):
Address (Street, City, State):	
Parent/Guardian Name:	
Cell Phone Number:	Additional Day Time Number:
Email Address:	
Name of School Currently Attending:	
Is student Open Enrolled to the Oakfield School District: (Circle one)	YES NO
Emergency Contact ( <b>different than name listed above</b> ):	
Relationship to Student:	Contact Number:
Will your child be riding the bus? ___ Morning Only ___ Afternoon Only ___ Both Morning and Afternoon	
Address for transportation (if different than listed above):	
Does your child have any of the following that we should be aware of for them to be safe and successful at Summer School? If so, please list details. List even if you feel that school may already be aware of these needs.	
Special dietary needs/ food allergies:	
Medical needs:	
Allergies:	
Behavior needs:	
Other needs:	
<b>Consent To Emergency Treatment</b> This is to certify that I, parent or guardian of the student listed above, hereby grant permission for the adult supervisors of this activity to obtain medical care from any licensed physician, hospital or medical clinic for the student named herein at such time as either parent or guardian cannot be contacted in person or by phone. This authorization shall also include all activities, and we do hereby waive, release, absolve, indemnify, and agree to not hold the activity sponsors, organizers, supervisors, and participants accountable, for any claim arising out of injury to the student or accidents that may occur during the activity. ___ We agree to these terms      ___ We do not agree to these terms.	

**Directions for Registration**

- Using your child's 2024 - 2025 grade level, select a class for each period of the day. **Indicate your child's first choice with a 1 and your child's second choice with a 2 for each period.**
- To help support students, academic and extracurricular growth, ALL students in grades 2 - 6 need to select at least one literacy or math class. We highly recommend students doing BOTH literacy and math, and they will still have two extracurricular classes.

SCHOOL DISTRICT OF OAKFIELD SUMMER SCHOOL REGISTRATION FORM - **Due TUESDAY, APRIL 30, 2024.**

Indicate your child's first choice with a 1 and your child's second choice with a 2 for each period.
