

Are you using scrip? Don't want to pay Registration Fees or School Expenses?

You could be. You don't have to!! It is super simple and most of the refund can come right back to your family's account or your child's classroom account or Group.

Stop selling and start earning! Scrip fundraising is a no-selling program that allows families to raise money to pay for educational expenses for their families. Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards. You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your family. It's really that simple!

When you use scrip gift cards at your favorite retailers, you're fundraising while you shop. Great Lakes Scrip Center offers over 700 of the country's biggest retailers, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Oakfield Scrip also offers many different local businesses such as restaurants, retail and specialty stores. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

Example: If you spend about \$150 at the Festival every week. Just send an order in for \$150 in Festival scrip, when filled, an envelope comes home with one \$100 gift card and a \$50 gift card for Festival.

The rebate on that is 3% or \$4.50. You can delegate 70% to your family account which equals \$3.15. The other 30% covers the cost to run the program.

Now multiply \$3.15 by 52= **\$163.80** yearly going to your family account. Just by doing my normal grocery shopping!! Add Walmart, Gas stations, Amazon and restaurants to your weekly card order and the total you can earn is unlimited.

ONLINE ORDERING: We offer online ordering, so you can instantly receive your gift cards electronically or reload existing cards you already have. Please see attached sheets to explain these programs. All benefits remain the same to you and your family!
