

# Oakfield Elementary School

## APRIL IMPORTANT DATES AND INFORMATION

### Last Call for Summer School

It is not too late to sign your child(ren) up for Summer School. Classes are filling up and schedules are being created as we speak. Please consider sending your child(ren) for one or both summer sessions.

### FORWARD EXAM

It is that time of year again, Forward Exam Season! During the month of April, students in grades 3, 4, and 5 will take the Wisconsin Forward Exam. The Forward Exam is given at grades 3-8 in English Language Arts and Mathematics, grades 4 and 8 in Science, and grades 4, 8, and 10 in Social Studies. Students will take the Forward Exam online.

Please help support the success of your child by taking note of their testing schedule. On those dates, please assist them in getting plenty of sleep the nights prior to testing to ensure they are well rested and ready for the assessment. Starting the morning off with a good breakfast and positive words of encouragement also have a great impact on your child's attitude and effort. Students' success rates greatly increase when there is a strong home/school connection. Thank you for helping to support this connection.

### 4K Registration

By the end of this week, prospective 4K parents will be mailed a registration packet generated from the school census. Oakfield Elementary is excited to welcome the Class of 2033!
