NOVEMBER MONTHLY MEMO (REVISED)

Drop-Off/Pick-Up Area

Parents - I need your help! Please be mindful when dropping your child(ren) off at school and/or picking them up.

- The **red curbing area** is meant to be a drop-off or pick-up area. Please pull as far forward as possible to help keep the traffic moving.
- Do not park in the **red curbing area** at any time, as this jams up traffic.
- When you need to park and come into school, please use a **parking stall** in the parking lot
- **Do not drive through the parking lot to exit** the area, unless you were parked in that area. This will prevent accidents from occurring when vehicles are backing out during a busy time.
- When entering and exiting the **child care parking area**, proceed with caution and yield as required. We have little children throughout our school grounds who cannot be easily seen among vehicles. **Slow down!**
- Please contact me with color/make of vehicle and license plate (if seen) if you witness someone not abiding by these important safety items. T-920-583-3146 or bdoyle@oakfield.k12.wi.us
