RE: Educational Options Notice (Act 55):

According to State Statute, the School District of Oakfield is required to notify parents of the educational options available to children who reside in the school district. This statute also requires notification of the school's accountability report. Currently, the Department of Public Instruction is prohibited from publishing an accountability report for the 2014 – 15 school year. The most current school report card can be found at <https://apps2.dpi.wi.gov/reportcards/>. Also below are links to a current listing of educational options.
