Code of Conduct

Co-curricular and athletic activities at the Oakfield Middle/High School are considered to be an extension of the student's learning process; participation in co-curricular activities is a privilege and students will be held to a higher standard. The primary purpose of co-curricular activities is to promote growth of citizenship through involvement in participatory activities. It is a privilege to participate in co-curricular activities; therefore, a high level of conduct is required. The expectation of the School District of Oakfield is that coaches/advisors place the same emphasis on growth through learning that they do in the classroom, and that students adhere to the same principles of good conduct, self-improvement, responsibility, dedication, and good citizenship that are required within any educational setting. Behavioral standards applied during the school day will apply during co-curricular activities.

PLEASE NOTE:

The School District of Oakfield expressly forbids the use and/or possession of drugs and alcohol. Violation of this policy on school premises or at school supported functions will be subject to referral for expulsion.

Coaches/Advisors Discretion

At their discretion, individual coaches and advisors can increase the eligibility requirements with the approval of the Principal and Athletic Director.

Academics

- All students must be passing all classes.
- A student's academic eligibility for fall sports is determined by the grades earned during the final quarter of the previous school year.
- Academic eligibility will be based on weekly checks of student's cumulative grades after three weeks into a quarter. Should a check reveal a student to not be meeting eligibility criteria, a period of probation will be instituted for one week. Should the student not meet eligibility criteria the following week, the student becomes academically ineligible. The period of ineligibility will run from Tuesday to Monday. The student will regain eligibility when a weekly check reveals them to be meeting the criteria. Reinstatement will occur on the Tuesday following such report.
- At the end of the quarter, the quarter grade will be used to determine eligibility.

Academic Ineligibility Periods

At the end of the quarter, any student who does not pass all classes, will be ineligible to participate for the following time periods:

- **Fall:** 21 days from the first day of competition/activity/event or 1/3 of the maximum games/activity/events whichever is less restrictive
- **Winter and Spring:** 15 school days

Reinstatement will occur when a grade check reveal the student to be meeting the eligibility criteria after the said time period.

The official date used for determining academic eligibility at the end of a grading period will be the date when a computer printout of grades is made available to the Athletic Director. Academically ineligible students may practice at the discretion of the coach.

WIAA Tournament Series

Any student violating the Co-Curricular Code of Conduct that results in the student being suspended for one or more WIAA tournament competitions will require that the student be immediately disqualified for the remainder of the total tournament series in that sport.

School Suspension

Students serving any type of suspension are ineligible to attend or participate in any co-curricular activity taking place on the date(s) they are actually serving the suspension. This includes a weekend or holiday if a day of suspension directly precedes and follows it.

Absences

Students must be in attendance the entire day of an event in order to participate. In addition, the student must be in attendance the entire day after the event. Failure to attend following an event will result in a suspension from the next scheduled event. If none exists, the suspension will continue into the next activity in which the student participates. Students with pre-excused absences, medical excuses issued by a doctor and extenuating circumstances approved by the Principal and Athletic Director will be exempt from the full day attendance policy.
