- **Scrip Update**

We are looking for a volunteer to do some local pickups of scrip orders. Please let Sarah Laning know if you can help, or contact Amy Steinke at the elementary school.

- **Boy Scout Report** - no update

- **Fruit Sale Update**

We did about \$20,000 in sales which is about an \$8,000 profit. This is similar profit to previous years.

- Pick up will be **March 12** from 4:00 - 7:00pm. Families will be getting an email this week to sign up for a trunk pick-up time. (similar to what we did for the Guth's sale)
- If you are interested in helping sort fruit during the day on the 12th, please contact Amy Steinke for more information and to be added to the volunteer list.
- **We need people to help unload the truck at 9:00 a.m.** on the 12th. Please consider helping if you are available. Thanks!
- Thank you to all students who sold fruit this year. The list of winners will be sent home soon, so be on the lookout! Prizes will come home with students at pick-up.

- **Pie in the Eye**

The "Pie in the Eye" assembly will be held outside this year due to COVID, and will most likely be held during the end of May/beginning of June. We will have more details as it gets closer.

- **School Supply Kits**

We will be selling school supply kits again for next year. Orders need to be placed by June 18 if you are interested in purchasing one. More information will come home closer to the end of the school year. Kits are available for Elementary and Middle School students. Please contact Amy Steinke with any questions.

- **All Star Game**

Since football season is in Spring this year, we won't know if any Oakfield players will be nominated for the All Star Game until May. Coach Rickert expects probably 2 or 3 players will be selected. This event raises money for Children's Hospital. In the past we have donated \$125.00 per player. Katy Flury made a motion to donate \$125.00 per player for anyone who is nominated for this year's All Star Game. Becky Doyle seconded the motion. Motion carried unanimously.

- **Staff Appreciation**

Staff Appreciation usually takes place in the first week of May. We will form a committee to look at what would be Covid approved. Please reach out to Amy Steinke if you are interested in helping plan this event.

- **Principal's Report**

- **Early Dismissal on Friday, March 5 at 1:15 p.m.** Please note that this is a change in schedule. This early dismissal is scheduled so that staff are able to get their Covid vaccines. We appreciate your flexibility.
- Dr. Dalzin is retiring at the end of the school year, so we are currently interviewing candidates for that position. There are 3 finalists who were interviewed today. A decision will be made in the near future.
- 2nd Trimester ends on Wednesday.

- The Forward Exam will be happening in April. It is slightly condensed this year due to COVID. Please let your child's teacher know of any appointments or vacation plans.
- Please make sure students arrive at school by 8:00 am. We had previously extended the drop off time to 8:10 to accommodate staggered arrival times, but we are now phasing that out. Thank you!
- The art room and music rooms will also be opened next Monday. The teachers and students are excited to be able to utilize these areas, with safety protocols and social distancing in place.
- Summer School will be happening this summer. See the monthly memo for more information.
- Thank you for continuing to monitor your child's health and staying in contact with Nurse Katie and the office with any questions or concerns. It's been a challenging year to say the least, but we are proud that we have been able to keep our school open. Thank you for your patience and support.

- **Any other business?**

- At this time we do not have a date set for another meeting this school year. If we decide another meeting is necessary, we will let you know. Thanks for supporting the PTO!!
