- **Market Day Update** - Market Day is changing their policies for distributing funds, and since this program is no longer a major fundraiser for us (only about \$60.00 per year), it was decided that we will no longer participate in the Market Day program.
- **Scrip Update** - Heather Bradwin-Hasemann will be taking over the Scrip program. When the transition is complete more information will come out regarding any updates.
- **Boy Scout Report** - no update at this time.
- **School Supply Kits** - School supply kits will once again be available for all students in grades 4K - 8th grade. More information will be coming out soon.
- **Fruit Sale Update** - This year's profit is about \$7,200. Sales this year were down from previous years, but it was still a successful event. Thank you to all of the volunteers!! Individual prizes were handed out to sellers. Mrs. Primeau's class had the highest total of sales and will be celebrating with a pizza party. There will also be a bowling field trip for top sellers from each grade.
- **Staff Appreciation Update** - The committee has met and has things rolling! If you are interested in helping, please reach out to Amy Steinke.
- **PTO Scholarship Update** - The PTO gives out a scholarship to a graduating Oakfield senior each year. The scholarship committee has been formed, and will be reviewing applications when received. Applications are due April 17. The scholarship winner will be announced at a later date.
- **New Books Request** - It was discussed at earlier meetings that the profits from this year's Guth Fundraiser would go towards new books and guided reading sets. Jen Harrison presented a list of books and book sets requested by teachers at the elementary school, along with \$1500 designated for the purchase of new books for the middle school. The total, including shipping, was \$13,500. After some discussion about the books being requested, the amount of profits from the sale, the amount of money in the PTO account, and the cost of shipping, Katy Flury made a motion to approve the full amount of \$13,500. Koreen Larson seconded the motion. The motion was carried unanimously.

- **Middle School Field Trip Request** - It was requested that we donate \$100 per grade level for the 6th, 7th, and 8th grade field trips. Corey Rickert made a motion to approve \$300 for the middle school field trip. Kelly Drazkowski seconded the motion. The motion was carried unanimously.
  
- **All Star Game Request** - There are 3 Oakfield Football players participating in this year's All Star Game. Players raise funds for Children's Hospital of Wisconsin. This year's players are Bart Bijl, Grant Bass, and Jack Fox. Jen Harrison made a motion to donate \$125 for each player. Becky Doyle seconded the motion. The motion was carried unanimously.
  
- **PTO Board** - We are still in need of a president and vice president - these roles should be filled by parents. Amy will still be available for support, as well as the rest of the PTO board. If anyone is interested or wants more information, please contact Amy Steinke, Corey Rickert or Jen Harrison.
  
- **Principal's Report**
  - Math night was a big success. Thanks to all staff and families who participated.
